PICK CALABRESE

The Wilmington Crusader

VOL. 21 NO. 28 WILMINGTON, MASS. - WEDNESDAY, JULY 9, 1958 PRICE 10c

For what was probably the shortest term of office in the history of the town, Wilmington had a new town manager Monday evening for fifteen minutes. The town manager of a town in southern Massachusetts was elected to fill the post left vacant by the resignation of Joseph Courtney last March, by a three to two vote.

However, Selectman Nicholas DeFelice asked Chairman Frank Hagerty for permission to change his vote and was granted another ballot. On the last vote, Acting Town Manager Alfred Calabrese was elected to the $8,000 a year office.

According to a report from a party present at the closed session, the first ballot went for Calabrese, Selectmen Wavie Drew and Charles Black; for applicant X, DeFelice and Donald Kidder; for applicant Y, Hagerty.

On the second ballot, DeFelice, Kidder and Hagerty voted for X; Drew and Black for Calabrese.

After a fifteen minute interval, DeFelice was given authority to change his vote and on the last try, Calabrese was elected permanent town manager.

Chairman Hagerty said while that he did not vote for Mr. Calabrese, he would support him fully. He explained that he did not vote for Mr. Calabrese as he did not feel that under the charter, which provides that the TM have previous, full time experience as a TM or assistant TM, Mr. Calabrese qualified. (Mr. Calabrese was formerly principle assessor here.)

Mr. DeFelice was out of town and unavailable for comment.

Winners of various events at Fourth of July celebration at Elmwood Village are shown above.

THE WILMINGTON HOSPITAL

Like a snowball rolling downhill, the idea of a hospital for Wilmington is gaining momentum and attracting more and more enthusiastic workers for the project.

Board of governors and trustees have been announced; incorporation is expected within two weeks.

Plans for three benefit dances have been made and tickets are being sold for the first of the series.

Joe McMahon, treasurer for more money raising drives in Wilmington than can be remembered, has been appointed to supervise funds for the hospital.

The Youth Canteen has pledged its support to the hospital fund drive.

Now it appears that all it will take to build a hospital in Wilmington is the whole-hearted support of the people of the town.

IN MEMORIAM

May we pause a moment in the rush of progress to inject one note of regret for the passing of a ceremony which appears to now be part of the "good old days". Something is fast passing from the American Scene, and that is the habit of celebrating the day on which our country became independent.

Freedom apparently was a dearer thing to our ancestors, perhaps because lack of freedom was often a part of their childhood, or that of their parents. But to the present generation, freedom is just a word, not something to be joyful for, something to celebrate. Perhaps fireworks and parades and bonfires are childish, or at best, "square", but the mere fact we acknowledged the day meant that we had to explain to our children why we celebrated it, and doing so remind ourselves of our precious heritage, freedom.

AND AWAY WE GO!

A lady, attempting to buy a two pound box of sugar in Wilmington, was refused last Sunday as the new edict of the Board of Selectmen to enforce the Sunday laws went into effect. Did the lady go without, borrow from a neighbor, or go over the line into a neighboring town to a full fledged supermarket and make her purchase there?

The recent action of the Board was initiated by a complaint against one of Wilmington's stores that opened on Sunday mornings recently. According to Chief of Police Paul Lynch, receipt of the complaint forced him to ask the Selectmen the status of the Sunday license when it was a small neighborhood store. When the business thrived and the store was enlarged, the owner closed on Sunday, but was in the store working. Nearby residents who formerly dropped in for their papers and cigarettes, milk and last minute items for Sunday dinner, or emergency items for unexpected guests, urged him to re-open.

Whether the complaint was made by a competitor or a citizen bound on keeping the Sabbath holy is, of course, secret.

In order to comply with the strictest letter of the law, a letter was sent to all stores in town reminding them of the Sunday laws and advising them to follow them. The store in question closed in order to avoid trouble for himself or any other store owner. The lady was refused her sugar.

Wilmington becomes a law-abiding, respectable town, in keeping with the best traditions of New England.

One set of merchants prosper; the gas station owners.

NICHOLS ST. BRIDGE SCENE OF ACCIDENT

Ronald F. Brinkman of Bingham, N. Y., reported to police that his automobile failed to negotiate the curve at the Nichols St. bridge and struck a cement post, badly damaging the right front of the vehicle, at 9:15 p.m., July 5. No injuries were reported by the driver.

BOARD OF GOVERNORS AND TRUSTEES FOR HOSPITAL ANNOUNCED

The Board of Governors and Trustees for the hospital which is proposed for Wilmington were announced Monday evening at a meeting of the Taxpayers Association.

Trustees will be Joseph McMahon, Dr. Ernest MacDougall, Selectman Charles Black, Town Counsel Philip Buzzell, Harold Smith, Edward Curtiss and Minard Haskell.

Serving on the Board of Governors will be Chairman, Minard Haskell, Harold E. Smith, James McLaughlin, Pat Lloungo, Mrs. John Ruggiero, Mrs. Helene White, William Berry, Edward Arinello, Katherine E. Arinello, Tim Cunningham and Ed Curtiss.

Congratulations on the start of the project were forthcoming from State Representative Thomas Donahue. Rep. Donahue said that a hospital was essential to the town, and that in 10 years the citizens would be proud to say that they have a community hospital. "This community" he continued, "has growing pains and will continue to grow". He said further that the enthusiasm of those behind the project was certain to catch on and inspire the rest of the town to back the hospital.

Points brought out during discussion of plans for the hospital included disposition of funds in event of failure of the plan to materialize. The funds will be absorbed by either the Community Fund or the Board of Public Welfare.

Aid is solicited from groups of women anxious to help the project. Representatives of such groups may obtain information by calling OL 8-8424, 8-8087 or 8-8847.

Tickets are being distributed for a benefit dance to be held at the Andover Country Club, July 18. Proceeds are to be donated to the hospital fund. Subscription is $7.50. Names of all subscribers to the hospital fund will be published shortly.

ROTARY CLUB TO WELCOME DISTRICT GOVERNOR

Chamber of Commerce, council chairman of the Massachusetts Committee Against Discrimination, and a director of the Lynn Chamber of Commerce, the Lincoln Co-operative Bank, the Lynn Young Men's Christian Association, and the Greater Lynn Chapter of the American Red Cross. He is a member of the Lynn Industrial Development Committee and he had been president of the Community Chest of Greater Lynn, Camp Rotary, and of the Lynn Advertising Club.

He was elected as a district governor of Rotary International for the 1958-59 fiscal year at Rotary's 49th annual convention in Dallas, Texas, U.S.A. last June. He is one of 258 district governors supervising the activites of more than 9,800 Rotary clubs which have a membership of 462,500

WILMINGTON RECREATIONAL NEWS

The adult softball league is fast nearing the playoff stage and the Meri-Macs managed by Bob Baker are the only team assured of their position. They now have a record of 10 wins and one loss with the Townies managed by Sam Ethier in hot pursuit. The most interesting battle is between the Stingers and the American Legion combine which is under the direction of Joe Bradley. Both these teams are battling for third place with the only other threat being presented by the Greer Co. team. Games will be played at the town park each evening and the playoffs will be announced at a later date.

More than 150 boys and girls have taken part in the learn to swim program sponsored by the Recreation Commission at Silver Lake Beach. Interested children may contact Bob Swanson, the head-lifeguard, for instructions. Classes will be conducted three times each week, on Monday, Wednesday, and Friday afternoons. The playgrounds offer instruction and play opportunities at the Wildwood School, High School and at the Silver Lake School. For the boys interested in baseball, Mr. Hastings conducts baseball program at the High School field each morning while Mr. Gilligan offers tennis instruction at the High School Courts each afternoon. All the children need to do is to make it known to Mr. Gilligan that they would like to receive instruction and he will oblige. No fee is charged as this is one of the regular services of your Recreation Commission. Later in the season Mr. Gilligan will conduct classes for adults. These classes will be held evenings.

VANDALISM AT LAKE

At 6 a.m. July 3, Tom McQuaide reported to police that two boats belonging to him had been cut adrift and one had been wrecked.

Apparently the vandals had a busy night as the town raft also was found cut loose from its moorings.

ROTARY CLUB TO WELCOME DISTRICT GOVERNOR

Continued from Page 1

business and professional executives in 110 countries and geographical regions throughout the world.

Wherever Rotary clubs are located, President Foster and Secretary Cummings asserted in discussing the governor's visit, their activities are similar to those of the Rotary Club of Wilmington because they are based on the same general objectives - - developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength, President Henry L. Foster added. During the past fiscal year, 350 new Rotary clubs were organized in 51 countries and geographical regions, bringing the total number of Rotary clubs to an all-time high of nearly 10,000, and eight countries were added to Rotary's roster - - British Honduras, Eritrea, French Guiana, Laos, Martinique, Papua, Virgin Islands and the West Indies Federation.

POLICE WARN BICYCLE OWNERS TO LOCK BIKES

A rash of bicycle thefts from the Silver Lake Beach area has prompted Wilmington police to warn owners of bicycles to lock them when leaving them unattended.

Latest theft was that of a french type Moto, belonging to William Kennedy of 15 Fairfield Rd. stolen July 1. The vehicle was red with chrome fenders.

Officer Kelley is investigating the theft.

BRICK VERSUS STEEL

An automobile driven by Yvonne Allen of Middlesex Ave. went out of control as the operator put it in gear when leaving a parking place in front of the post office on July 6, according to Wilmington police.

The vehicle struck the front of the post office, badly damaging the right front of the car, but barely marking the brick structure.

Officer Kelley is investigating.

TAXPAYERS' ASSOCIATION HEARS TALKS ON EMINENT DOMAIN

Frederick Finnegan, register of deeds for Northern Middlesex County, spoke Monday evening at the Taxpayers Association Meeting on eminent domain proceedings. Interest in such matters runs high in Wilmington as the State takes land in the right of way of Rte. 28 and 125.

Mr. Finnegan explained the proceedings of land taking and adjusting costs. He said that in most cases the State offered a better price than would have been awarded by the courts.

State Representative Thomas Donahue said he received many calls relative to land takings and found the State to be generous. Property owners affected, he reported, were well satisfied with settlements, and had been given ample time to move homes, etc.

Another speaker, Atty. William H. Sullivan, who is opposing Congresswoman Edith Nourse Rogers in the coming elections, spoke on Urban Renewal programs regarding legal action. Mr. Sullivan said that the Supreme Court has upheld Housing Authorities as 'public purposes' in eminent domain cases.

Chairman of the Association Ed Curtis introduced the speakers.

TALK OF THE TOWN

By HANK FILIPPONE

I wonder what Texas is going to do now? Alaska is now a State and two and one half times as large at Texas. How will they be the biggest in everything, now, including their bull?

A lonely and tired looking station wagon sets way back in on our new parking lot in North Wilmington. Tsk-Tsk, and after spending money and taking land by eminent domain, this little lady has her own private parking lot - - without her plates on.

The idea for a hospital for Wilmington is catching on and promises to become a reality. The Wilmington Taxpayers Association, under the leadership of Edward Curtiss has been looking into the feasibility of the town obtaining one. Committees have been formed and to this date, a formulative program has been set up. A trust is to be formed, consisting of prominent citizens of the town, a committee has been named to work on future plans and to date, a series of dances at the Andover Country Club in benefit of the fund have been announced. Tickets are already on sale for the first dance, which will be held at the Club on Friday, July 18. Subscriptions will be $7.50 per couple and it is hoped that the citizenry will support it. All profits will be turned over to the Hospital Fund. These dances will be under the direction of Minard Haskell from Wilton Estates.

Fourth of July is probably only a date in a history book these days. In one of the quietest Fourths ever witnessed, I couldn't help but wonder why a town such as ours, that boasts of three Veterans organizations and the Lord knows how many other civic and betterment groups, couldn't at least have provided a little program of entertainment in celebration of the birthday of our independence.

Now that the letters from the Selectmen have been received by the operators of small stores that are opened on Sundays, notifying them that they will not be able to sell but just a few sundries, you'll have to do all you shopping on Saturday, even your tomato juice. Restrictions on bee-bee guns first, then horses, bicycles, submarine sandwiches and now this. What next? Paul Lynch ventured to dare a guess, I'll be watching to see if he's right.

The police are going to have to enforce the control of sales on Sundays, but they'll have to get either new cruisers or some tires for their old ones, to do so.

Here's a good one for you. At the last meeting of the selectmen, a vote was finally taken for appointment for the job of town manager and Fred Calabrese got the job. At the first balloting the results were as follows; for Calabrese, Drew and Black, for Kidder and DeFelice, and for Hagerty. In the second ballot; DeFelice, Hagerty and Kidder, for Calabrese - Drew and Black. Of course, in every town but Wilmington, a majority usually wins. Being Wilmington however, Nicky DeFelice decided that he would like to change his mind and Hagerty allowed another balloting. This ballot showed that, in the true rainbow temperment of Wilmington, the pot of gold was on the other side and Calabrese was elected on the strength of DeFelice's vote. Ladies and Gentlemen, I give you the new town manager-Alfred Calabrese.

At the last special town meeting, Hagerty read a letter purported to have been received from the Town of Tewksbury in which it was read that the water on Fairmeadow Road was to be turned off on July 1st. It was stressed that the citizens present should vote to apply water betterments on that street as an emergency was sure to arise, and soon. Here it is July 8th and water is still flowing and whats more significant is the fact that work has not even started on application of water mains yet.

SEEN AROUND - State Representative Thomas Donahue as an interested guest of the Tax payers Association at their last meeting to discuss plans for a hospital for Wilmington - - the progress of the sewer main being installed on Woburn Street - - the rapidly changing appearance of land surrounding AVCO - - the utter lack of celebration on the fourth of July - - and display of Flags - - Red Eaton becoming absorbed in his new business - - the way the Hospital for Wilmington project is mushrooming.

Four Nazi saboteurs were detected by Coast Guardsman, John Cullen, during World War II as they landed from a German submarine on Long Island.

Wilmington Town Democratic Committee News

The cook-out planned for Sunday, August 24, this year is assuming proportions of magnitude. According to the program which is being planned, everyone attending is certain to enjoy themselves.

It is expected that Governor Furcolo, Senator Kennedy and all other leading State Dignitaries will be present. A speakers rostrum will be erected and a P.A. system installed and everyone will be able to say hello to everyone else.

Contests are being planned, along with races and games, with cash prizes for the winners. Door prizes will be a power mower, sewing machine, boy's bicycle and girl's bicycle, in that order. The winning numbers will be chosen from the tickets you buy to attend. In themselves, the prizes will be worth attending. Where can you eat and enjoy yourself for only $2.50 per plate.

Tickets will be limited this year, so contact anyone of the committee for your reservation now. For further information, contact yours truly at OL 8-2049.

A whist party is being planned at the Silver Lake Betterment Hall for the near future. This affair will be under the direction of Ernie Crispo and Mrs. Kelley. All of you who attended our last one can remember the good time that you had and it is expected that this party will be better yet. Bring your neighbors down and take advantage of the many expensive prizes.

Registration drive is under full swing, under the leadership of Ted Cantrell. According to Ted, the last date for registration for the primaries will be August 8, and the Town Hall will be open from 12 noon to 10 p.m. for the purpose of registering voters. The primaries will be held on September 9, then October 3 will be the final date for registering for the major election which will take place on November 4.

All hands having State Primary Nomination papers for various candidates are reminded that the papers should be turned in this week in order to check the lists.

Our town committee has already endorsed Bill Madden of Lexington for his race in the 7th Senatorial Middlesex District, also Thomas Donohue of Woburn for re-election for State Representative.

And now, dear readers, as an afterthought, just why wouldn't Jim McLaughlin make a darned good selectman? With all the effort that he has used helping people in this town, I'm sure that he could apply his energy for the good of the town.
